Dear Rebecca:

Wanted to circle back with you regarding this proposed project which the Hollywood Media District is interested in moving forward. Just to let you know that this project was approved by the City back in 2011. Here is the link to the Final Determination Letter [Determination Letter - 1033 Cole Avenue DWP Payment and Community Center](#). There is reference to a support letter from Central Hollywood Neighborhood Council that was submitted to the original file. I am working on getting a copy for your reference. In addition, I would like to suggest that you reach out to Chief of Staff, Guy Lipa, with DWP who was a former staffer of then Council President Garrett. Guy's email is guy.lip@ladwp.com - he will be quiet helpful in providing direction on how to get this matter moving forward with the DWP Commission.

Look forward to hearing back from you.

Regards,

Lisa Schechter
